\*\*\*\*Instead of looking at a long list of donations needed, take a look at specific projects/operations.\*\*\*\*

**Operation Tiny Tot:** We are looking for baby boy clothes for 1 child size 3-6 months; shoes 3-6 months and diapers for size 14lbs.

**Non-Mission-Specific Needs** – 8-10 oz. cups for the water cooler; men's wallets, Good condition, working natural gas stoves and dryers; Boxes of disposable gloves size M,& XL; shower curtains and rings;

**Operation Swab the Deck** – Ongoing mission. We are in need of toilet bowl brushes, mops, brooms; dollar store quality is fine. Cleaning/scouring sponges and dish rags are always handy, as is dish soap. Bleach should be in manageable sized containers (quart or half gallons). Bleach spray, cleanser, floor cleaner, and Lime-away, are always in high demand. Also useful are kitchen garbage bags and kitchen sized trash cans.

**Operation Barbecue** –We could use barbecue tools and Shell Gift Cards with which to purchase propane.

**Operation Key Chain** –**Successful mission accomplished! Thank You!**

**Operation Mess Hall** – Ongoing mission. We need can openers! Immediate needs include strainers/colanders, pots and pans, and pots capable of a hearty batch of spaghetti. We can always use forks, knives, spoons, silverware organizers, potato peelers, pot holders, and kitchen towels. Kitchen appliances like crockpots and coffee makers are handy.

**Operation Move In** – When our residents arrive, many have little more than a couple bags of clothes to their name. Bedding, tvs and recliners are a must. Things we need include flat screen tvs, recliners, and beds (twin & full sized). The beds need mattress covers (the kind that encases the whole mattress), new or good condition sheets, pillowcases, and blankets. Bed pillows must be NEW. Good condition or new hand towels and washcloths are always needed.

**Operation Salt & Pepper** – Donations of clean, good condition or new salt and pepper shakers are welcome. Yes, they can be from the dollar store; we're not fancy by any means. We're currently well stocked for salt and pepper.

**Operation Smells Like a Rose** – Ongoing hygiene mission. Our need for shaving cream, full sized bottles of shampoo, and nail trimmers is moderate. The paperwork never ends; toilet paper is always useful.

**Company Clerk's Needs** – Lined note pads, copier paper, accordion files, pens, paperclips, post-it notes, and highlighters are the most needed items.

We are an alcohol free facility. Please do not donate wine glasses, shot glasses, margarita sets, beer mugs, or corkscrews. Thanks!
